Re: U.S. v. Allen Reichman
12-CR-750 (NRB)

MEMO ENDORSED

Dear Judge Buchwald:

On Mr. Reichman's behalf, I ask the Court to extend for a few days the period during which his bail conditions (restriction to SDNY and EDNY) are expanded to include Florida. Last week, the Court granted permission for Mr. Reichman to be in Florida between December 6 and December 10 to help his 85 year old mother to care for his 88 year old father. Mr. Reichman's father is suffering from various health problems and his mother has asked Mr. Reichman to remain in Florida for the rest of this week, through December 14.

Mr. Reichman is at liberty on a \$1,000,000 bond secured by his home and the signatures of he and his wife.

Respectfully yours,

Alan S. Lewis
